Prop 100**

Proposition 100 is a ballot measure about a temporary one cent sales tax to help stabilize the state budget. Revenues from the sales tax increase will be used to pay for education, public safety, & health & human services expenditures. These essential services benefit the entire community. Without additional revenue major cuts will have to be enacted. Cuts will mean reductions in QUANTITY and QUALITY of services to some of Arizona's most vulnerable citizens. Every dollar goes to provide necessary services such as education, healthcare, & public safety.
